**2017th AFRICAN EXCELLENCE WEEK CONFERENCE on
the topic:**

**LET'S CELEBRATE THE ACHIEVEMENTS AND CONTRIBUTIONS
OF THE DIASPORAS TO THE DEVELOPMENT OF CANADA
AND THEIR NATIVE COUNTRIES:**

**On Saturday October the 7th, 2017 : from 13 :30 PM to 17 :30 PM at École de
Technologie Supérieure, 1100, Notre Dame West, Room A-1302, in Montreal,
Quebec, H3C 1K3;**

Context and presentation:

Canada is celebrating this year, its 150th anniversary while Montreal is celebrating its 375th one.

As we all know, the rise of both Canada and Montreal is the result of hard work and talent of the founders and the autochthonous people as well as those of successive waves of immigrants.

Nowadays, these different Diasporas play a key role in the development and innovation of their new host country while promoting emergence of their countries of origin. Therefore Napoleon Hill wrote that “**more gold has been extracted from human thoughts than from ground**”

2017th Edition of African Excellence Week (AEW) will be an opportunity to celebrate the outstanding achievements and contributions of these Diasporas to Canadian economic and social development as well as their native countries.
